WHAT'S THE
NEXT STEP

- 1 - COMPLETE AND EMAIL APPLICATION
- 2 - COMPLETE AND EMAIL ENROLLMENT AGREEMENT
- 3 - PAYMENT
- 4 - START LEARNING

75%

Students must maintain at least a 75-grade point average.

70 hours

Upon successful completion of the ten week course graduates will receive a letter of completion. Applicants must agree to a 70-hour post graduate project and four months of intership following the completion of formal class instruction, during which time they must submit not less than twenty-five examinations they have conducted, of which at least ten must be of a criminal type nature. After successful completion of the research project and intership period students will be issued a Certificate of Completion.

10%
discount

Graduates of the Academy receive a student discount on any new instrumentation ordered through the school prior to graduation.

ADMISSION REQUIREMENTS

1. All applicants must have either a bachelor's degree or at least three years investigative experience.
2. Applicants must be of excellent character and reputation
3. Applicants have no convictions of a felony, or a misdemeanor involving moral turpitude.
4. All applicants must submit a properly completed Academy application form, and enrollment form.

NOT ALL SCHOOLS ARE EQUAL

World-Class Primary Instructors only the best

Nathan J. Gordon developed the Forensic Assessment Interview and Integrated Interrogation Technique. He is an expert Forensic Psychophysiological and an internationally recognized expert in the field of Forensic Assessment Interviewing and Interrogation. Mr. Gordon is the developer of the Integrated Zone Comparison Polygraph Technique, the Horizontal Scoring System and Academy PolySuite Algorithm® for polygraph data analysis and the co-author along with William Fleisher of "Effective Interviewing and Interrogation Techniques," now in its 3rd edition by Academic Press. He has lectured and conducted seminars on these subjects to thousands of law enforcement, intelligence and private security officers throughout the United States, Africa, Europe, and Asia. Mr. Gordon, a recognized innovator in the field of truth verification, has had his work recognized in publications among which is, Forensic Psychophysiology; Use Of The Polygraph, by James Allen Matte.

He is the past President of the American Polygraph Association and the International Association of Forensic Psychophysiological Institutes, and is currently President of the International Society of Polygraph Examiners and the Pennsylvania Polygraph Association. Mr. Gordon is a Director of the Vidocq Society where he received the prestigious Vidocq Medal of Honor for his assistance in solving a 14 year old cold case homicide.

Nathan J. Gordon is Director of the Academy for Scientific Investigative Training, President International Society of Polygraph Examiners and Past President American Polygraph Association: "We have been teaching an accredited polygraph course in South Africa for over 20 years. I am looking forward to returning in 2020".

Nathan J. Gordon

Other Instructors include:

William L. Fleisher is a full member of the American Polygraph Association and internationally known for his polygraph expertise.

Mr. Essam Ali Gamal El Din transferred to the security field (Egyptian Military Intelligence) in 1985 and in 1994 became Chief of the Egyptian Interrogation Management Center. In 2003, Mr. El Din received his promotion as Air Commodore (one star general) , and retired in July 2003.

Mr. Tuvia Shurany is the former head of the Department of Polygraph at the Israeli Government School, and President of Lie Catcher Polygraph Services, and former Director of the International Polygraph Training Center, which was an American Polygraph Association accredited school.
